

Words Worth Keeping

FIELD TOOL

Words Worth Keeping. Pick one place to keep the words people speak back to you. Then write down two you can remember right now. Add one each time a new one comes in.

Where I will keep my words worth keeping

Email folder, phone album, or desk folder:

First words to keep

Date and who:

What they said or did:

What it reminds me about my work:

Second words to keep

Date and who:

What they said or did:

What it reminds me about my work:
